## QUICKSHINE DESCALER BAG™

### DIRECTIONS FOR USE

**KETTLES:** Suitable for all kettles. Boil half a kettle of water. Unplug. Drop a DESCALER BAG into the kettle. Leave for 25 minutes. Remove water and spent sachet. Rinse thoroughly before use.

**COFFEE MACHINES:** Fill a measuring jug with 500ml of warm water and drop in a DESCALER BAG. Gently agitate / stir to dissolve contents. Add solution to machine reservoir. Run the machine until half the reservoir has passed through, then switch off. Leave for 25 minutes, then run the remainder of the solution through the machine. Rinse two full reservoirs of water through the machine.

**IRONS:** Note: certain irons should not be descaled, check the manufacturer's instructions. Fill a measuring jug with 500ml of warm water, drop in a DESCALER BAG. Gently agitate / stir to dissolve contents. Add solution to machine reservoir. Heat the iron to hot, then unplug and hold over a sink or bowl. Press the steam button and allow solution to completely empty. Rinse two full reservoirs of water through the iron. Test the iron on a piece of scrap fabric before use.

**SHOWER HEADS:** Fill a jug or bowl with hot tap water, and drop in a DESCALER BAG. Immerse the shower head completely, and leave for 25 minutes. Run cold water through the shower head for a few moments

**STEAM MOPS:** Fill a jug or bowl with hot tap water, and drop in a DESCALER BAG. Add the solution to the reservoir, and descale according to the manufacturer's instructions.

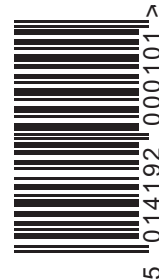

### WARNING

Causes serious eye irritation. KEEP OUT OF REACH OF CHILDREN. Wash hands thoroughly after handling. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: get medical advice/attention. If medical advice is needed have product container or label at hand.
