

High Shine **FLOOR POLISH**

Underwoods™ High Shine Floor Polish is the perfect tonic for reviving wooden, laminate, vinyl and tiled floors.

IMPORTANT: Do not use on unsealed wooden floors or limestone flooring.

Directions for Use:

1. Shake the bottle before use. Pull up the spout cap on the bottle and squirt the floor polish onto a clean, dry floor. Spread with a clean, dry cloth or mop to give a thin, even coating without allowing pools to form on the floor.
2. Allow to dry, preferably overnight, before walking on the floor.
3. A second coat can be applied once the floor is touch dry.
