

bathroom
blocks away

**plughole
unblocker**

breaks down hair blockages in
bath, sink and **shower** plugholes

250ml

bathroom
blocks away

INSTRUCTIONS

The product is supplied ready to use and should be applied last thing at night. For the best results pour 2 litres of warm water into the plughole prior to adding 100ml of bathroom blocks away. No further water should be poured down the plughole following the application. The following morning a further 2 litres of warm water should be poured down the plughole. This should be followed by maintenance doses of 50ml on a fortnightly basis.

DANGER

Causes serious eye damage. May cause an allergic skin reaction. Keep out of reach of children. Wear protective gloves and eye protection. Wash hands thoroughly after handling.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor.

IF ON SKIN: Gently wash with plenty of soap and water. If skin irritation or a rash occurs: Get medical attention. Wash contaminated clothing before reuse. Contains enzymes. May produce an allergic reaction. Avoid breathing fumes. Contains Alcohols C9-11 Ethoxylated, Calcium Thioglycollate.
