

STEEL GUARD INTENSIVE

STAINLESS STEEL REVIVER

Cleans, revives and polishes.

This triple action formula cleans, revives and polishes stainless steel surfaces such as sinks to bring them back to their original shine. Ideal for the removal of stubborn stains, hard water deposits and discolouration.

STEEL GUARD INTENSIVE

STAINLESS STEEL
REVIVER

HEAVY DUTY FORMULA

**REMOVES STAINS, GRIME
& DISCOLOURATION**

250ml e

5 052775 234659

DIRECTIONS FOR USE:

Always test on a small inconspicuous area prior to full use.

1. Shake bottle thoroughly before use.
2. Pour a small amount of Stainless Steel Reviver on a soft damp, non-abrasive cloth.
3. Using a circular motion, rub the area to be cleaned.
4. Wash surface with hot, soapy water.
5. Rinse surface thoroughly and dry thoroughly with cloth or absorbent material.
6. Repeat steps 2-5 if necessary and leave solution 4-5 minutes before rinsing off.

CAUTION:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Keep out of the reach of children.

INGREDIENTS:

Nonionic surfactants 5-15%, Perfume.
