

Directions

Remove units from sealed bag.

DO NOT open the plastic holder(s).

Hang unit(s) in a wardrobe on the clothes rail, using integrated hanging hook. Please see opposite panel for typical application rates.

Replace when RENEW Indicator shows 'END', which usually appears after 6 months*.
*Dependent on area, temperature and airflow.

Please use all year round to be sure of complete protection of your valuables.

Lavender
with natural oils

**For
Clothes**

Hanging moth STOP!

Clothes Moth Killer and Freshener

Proven to kill moths, eggs and larvae safely.

4
units

Typical Application

1 unit per small wardrobe/drawer.

2 units per average wardrobe.

Hanging Clothes Moth Killer and Freshener

uses the latest technology to provide long-lasting protection from moths, their eggs and larvae. Additionally, the lavender perfume with natural oils freshens continuously.

The active ingredients are sealed away in a specific plastic holder, which controls its diffusion for consistent performance, whilst avoiding any direct contact with clothes or hands.

Each unit covers approximately 0.50 cubic meters. It is recommended to use 2 units for the average size wardrobe or a single unit for a small wardrobe or when placed amongst clothing in drawers.

Each unit lasts up to 6 months* and has an automatic end of life indicator, to confirm in real time when it must be replaced.

*Dependent on area, temperature and airflow.

Specially Designed

To be hung amongst stored clothing - ideal for wardrobes and rails.

Protects

Ideal for protecting all clothing including woollens, cashmere, linens, furs, leathers and even silks.

Complete Protection

For total peace of mind. **WILL NOT STAIN.**
