- fully biodegradable

500 ml e

HG kitchen cleaner

HG "kitchen cleaner" quickly and simply removes all daily dirt and grease from all kinds of kitchen surfaces, such as the worktop, tiles, cupboards, etc. Also safe for use on marble, bluestone and other calciferous natural stone and granite types. This product is an environment friendly and ecologically sound kitchen cleaner made from fully biodegradable materials, in a packaging made from 100% recyclable materials.

Directions of use: Turn the nozzle on the front side a quarter. Spray the liquid directly onto the surface to be cleaned. Rub in immediately and dry off with a clean dry cloth. On very dirty surfaces, repeat the process or use HG "kitchen grease remover". Turn the nozzle a quarter after use (OFF).

Attention: Transport and store the bottle upright. P101- If medical advice is needed, have product container or label at hand. **P102-** Keep out of reach of children.

Medical personnel can request the data sheet via +31 (0)36 54 94 777.

The consumer's information sheet can be obtained via www.HG.eu
