Chem-Dry's Dust Mite Anti-Allergen is a water based anti-allergen solution containing powerful active ingredients that are proven to be effective against household dust mite allergens.

Directions: Only use as directed. Clean surface to be treated by vacuuming or laundering. After testing an inconspicuous area for colourfastness, apply a wetting mist directly on carpet, upholstery, bedding, linens and window fabrics. Apply enough product to dampen but not saturate the surface. One can will cover approximately 100 square feet of fabric.

Caution: Do not inhale mist from can. Avoid contact with skin and eyes. In case of contact - Eyes and Skin: Flush thoroughly with water. If irritation persists seek medical advice. Ingestion: If swallowed, do not induce vomiting, seek medical advice immediately and show this container or label.

Caution: Pressurised container. Protect from sunlight and do not expose to temperatures exceeding 50°C. Extreme temperature can occur in motor cars and near ovens and fire places. Do not pierce or burn even after use.

Not suitable for use on Silk or Velvet.

KEEP OUT OF REACH OF CHILDREN

Contains, amongst other ingredients, less than 5% anionic surfactants and polycarboxylates.
