THE PERFECT ESPRESSO

Use fresh water, warm cup with first shot of hot water and discard

Lift lever, ensure capsule is fully inserted and close

Press Espresso button

TIPS FOR USE

- Each capsule makes a shot of rich espresso. For a long cappuccino we recommend using 2 capsules
- For an americano serve over hot water
- Ensure container is emptied regularly
- For best results consume capsules within 10 days of opening protective bag

SUSTAINABILITY IS THE VITAL INGREDIENT IN DUALIT COFFEE

Industrial composting is the best condition to break down our capsules, pop the complete capsule in your food waste bin and let your authorised collection scheme do the rest
