5KICA0WH	Ice Cream Maker	5413184410704	5413184410605

### STANDARD ACCESSORIES

#### Freeze bowl with dual walls

Once completely frozen\*, the liquid (an aqueous solution) within the double walls of the bowl will provide thorough, even freezing of ice cream batter throughout the mixing process.

#### Ice cream maker drive assembly

The drive assembly attaches to the motor head on the beater shaft and drives dasher on all KitchenAid stand mixers.\*\*

#### Dasher

Engages with the drive assembly to spread, scrape and mix ice cream batter within the freeze bowl.

\* For best results, store the freeze bowl in the back of your freezer where the temperature is coldest for at least 15 hours.

\*\* Does not fit the Mini Stand Mixer model 5KSM3311X
