

OVEN AND COOKWARE CLEANING PASTE

Astonish Oven and Cookware Cleaning Paste has been specially formulated for use around the home. This superb product cleans all types of enamel, porcelain, ovens, cookware, patio furniture

Directions for use

This product is a mild detergent and abrasive and care should be taken on delicate surfaces to avoid scratching. Unplug electrical appliances before cleaning. Read instructions before use.

For cleaning...

Ovens, Stove Tops, Pans and Cookware.

Where manufacturer permits, apply with damp nylon scouring pad, rub well, and rinse clean. For heavy greasing and burnt areas apply with a dry nylon scouring pad and rinse clean. Suitable for Aga/Rayburn ovens. Do not use on highly polished or brushed stainless steel e.g. pan lids (Use Astonish Stainless Steel Cleaner).

Avoid excessive use on clean and unsoiled enamel surfaces. Do not use on non-stick coating on pans.

Glass Ceramic Stoves:

Apply with a damp cloth and rinse clean. Avoid pressure to markings on glass surface.

Bath Tubs, Tiles, Sinks:

Apply with a damp cloth, rub gently and rinse clean. Not for plastic or acrylic baths (use Astonish Bathroom Cleaner). Do not use on cracked or damaged glazing.

Chrome, Metal:

Apply with a damp cloth, rub gently and rinse clean. Do not use on highly polished silver or other delicate surfaces. Avoid use on highly polished stainless steel and brass/copper.

uPVC Windows and Doors, Patio Furniture:

Do not use on gold or silver plated fittings. Apply with a damp cloth, rub gently and rinse clean.
