GEL•KILROCK

THICK NON-DRIP DESCALER

Dissolves limescale stains:
BATHS • TAPS • SHOWERS

BRUSH IN CAP

Simply brush on to stain using brush in cap.

This powerful gel is specially formulated to cling to smooth surfaces, where it actively dissolves hardwater limescale stains.

Gel•Kilrock is ideal for bath-rim & water-drip stains and limescale build-up around taps, shower surrounds, tiles and shower heads. It is perfectly safe on all ceramic and plastic sanitary ware.

Gel•Kilrock is not a general cleaner, but a special descaler, and should be used on no more than about 5 sq cm at a time.

KILROCK

Prior to use, it is advisable to test a small area of the surface to be treated.

Hardwater stains can pit some surfaces, no responsibility can be accepted for this.

Directions: 1. To dissolve hardwater stains, simply brush on Gel Kilrock to the dry stained surface. Leave it to work for a few minutes, then fully rinse away. For heavy stains or large areas, repeat process.

2. Once stains have been removed, prevent repeated limescale build-up by regularly cleaning with Kilrock Power Spray.

160ml e
