Black  
Diamond™

Black Diamond believes that  
all polishing products should:

Be streak free

Save you time & money

Be safe to use on the finer surfaces in your home

Black Diamond's granite polish preserver™, now with poly PS<sup>3</sup> shield™ makes all these things possible. Not only will you get a streak free shine every time you use it, but now with poly PS<sup>3</sup> shield™ cleaning is easier & faster while protecting the surface with an invisible shield that resists those annoying finger prints! Guaranteed to be the best or your money back!

If your current cleaner does not offer all of these advantages, it's time to make a change.

Be sure and try the other incredible products with PS3:  
wood & laminate cleaner, granite cleaner, & tile-vinyl-stone cleaner.

**USE:** This safe polish helps to protect the shine, resists staining, and makes cleaning easier. For counters, walls, bar tops and all natural stone surfaces; great for shower walls.

**DIRECTIONS:** Simply spray onto surface and buff with a soft cloth until no haze remains.  
Do not use on floors!

**Cautions:** KEEP OUT OF REACH OF CHILDREN. EYES: Flush with water for 15 minutes. If irritation persists seek medical attention.  
**INGESTION:** Drink two glasses of water and seek medical attention.  
**SKIN:** Wash with soap and water.

**REMEMBER TO RECYCLE!**
