

**Each application kills moths, eggs and larvae within 15 minutes**

Spray Moth Killer & Freshener uses the latest technology to provide fast and effective protection from moths, their eggs and larvae. Additionally, the lavender perfume with natural oils freshens continuously. The active spray is specially designed to protect those home items at risk of moth damage that cannot be easily stored away, such as carpets, rugs, throws, curtains, cushions and other fabrics. The 500ml bottle covers approximately 25 sq. metres.

**Specially Designed** Can be sprayed safely on fabrics which cannot be stored away.

**Protects** Ideal for protecting all carpets, curtains, throws, cushions, etc. including woollens, cashmere, linens, furs, leathers and even silks.

**Complete Protection** For total peace of mind.  
Will Not Stain

## Directions

Spray uniformly onto carpet or fabric to be treated from approx. 50cm away.

Leave carpet or fabric to dry (approx. 30 mins) before use. Air as required.

Always lock trigger when not in use.

After first application repeat in 30 days.

Thereafter repeat every 3 months.

**For Fabrics and Carpets**
