

# LAVENDER TOWEL SOFTENER

Conditions and softens towels

1litre e

Lavender  
Towel Softener  
has a luxuriously enriching  
formulation that gently  
conditions and freshens your towels  
leaving them soft, fluffy and delicately  
fragranced with the soothing scent of  
Lavender.

Many fabric conditioners make fabric  
water repellent which detracts from the  
function of the towel. Lavender Towel  
Softener's formulation softens without  
losing the towel's natural absorbent  
properties.

Shake bottle before use, add Lavender Towel  
Softener to the conditioning compartment of
