

Oven Mate™ Microwave Steam Clean Wipes™ have been developed to make light work of cleaning the microwave.

The unique formulation has been designed to work with the power of your microwave to clean and deodorize. The formula ensures that food deposits and grime can be effectively removed whilst leaving your microwave clean and smelling fresh.

1 STEAM  
2 WIPE  
3 CLEAN

#### DIRECTIONS FOR USE

- 1 Peel back the label halfway.
- 2 Pull out a wipe and make sure it is still moist before use.
- 3 Place the wipe in the middle of the microwave and heat it to release the **steam**.

**IMPORTANT: Microwaves vary. The following information is intended for guidance only.**

HEAT TIME	MICROWAVE WATTS
50 seconds	600 - 700 Watts
45 seconds	750 - 800 Watts
40 seconds	850 Watts and above

- 4 Once the wipe has been heated, it will continue to release the active ingredients. Allow to cool for 3-4 minutes, then use the **wipe** to thoroughly **clean** the microwave. The wipe can also be used to clean other surfaces and, when finished, simply dispose of the wipe with normal household waste.
- 5 Reseal pack after each use and store with cover facing down and out of direct sunlight to avoid wipes drying out.

ACTIVATED

✓ **NEUTRALISES FOOD ODOURS**  
✓ **25 x LEMON FRAGRANCE MULTI WIPES**  
**ALSO SUITABLE FOR WIPING HOBS, FRIDGES & WORKTOPS**

Clean microwaves perform better than dirty ones. Food particles can stick on the inside walls and cause the microwave to operate less efficiently and create unpleasant odours. We recommend you steam clean your microwave at least twice a week if used on a daily basis. Oven Mate™ Microwave Steam Clean Wipes™ can be used on surfaces to wipe up food spills. Just heat in microwave to activate.

#### IMPORTANT INFORMATION

##### DO

Rinse and dry your hands after use. Dispose of wipes in the bin after use. Once opened, use the wipes within 3 months otherwise they dry out. Only heat in a microwave.

##### DON'T

Heat for longer than the time indicated. Use for personal hygiene.

KEEP OUT OF REACH OF CHILDREN.

Causes skin irritation. Causes serious eye irritation. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

**WARNING**

Contains less than 5% cationic surfactant also contains limonene

Oven Mate is a registered trade mark of RDi International Ltd, Unit 4 Park Farm, CM77 8JX.
