

FAST ACTING, POWERFUL PLUGHOLE & DRAIN UNBLOCKER

- Plughole unblocker.
- Fast acting.
- Leaves plugholes free-flowing.
- Helps prevent odours.
- Specifically formulated to clear bathroom blockages caused by soap scum and hair deposits. The super strength formula dissolves soap scum and hair rather than just pushing the blockage further down the pipe.
- Use to treat a blockage and also as a regular treatment to stop blockages appearing.

DIRECTIONS:

- Carefully cut the corner off the sachet to open, making sure the area is well ventilated.
- Pour the entire contents into plughole. Take care not to breathe in any powder.
- Pour approximately 1 litre of VERY HOT water (70°C to 80°C) into plughole.
- Leave for 3 minutes.
- Flush through with water.

To keep your plughole free-flowing, apply an application every two weeks.

CAUTION:

- Wear rubber gloves.
- Never mix with other cleaning products.
- Never use with a plunger.
- Do not leave product residues in an opened sachet.
- Dispose of the used sachet and cut-off corner section immediately after use.
- Avoid contact with glass, acrylic, aluminium, chrome and gold coloured fittings.
- Avoid splashing onto clothes, fabrics, gloss paint and all sensitive surfaces.

Causes severe skin burns and eye damage. May be corrosive to metals. If medical advice is needed, have product sachet at hand. Read sachet before first use. Keep out of reach of children. Wear protective gloves/protective clothing/eye protection/face protection. Do not get in eyes or on skin. Do not breathe dust and vapours. Keep away from combustible materials.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

IF IN EYES, ON SKIN OR SWALLOWED, immediately call a POISON CENTRE or doctor / physician.

Store locked up. Contains: Sodium Hydroxide.
