

Relax. Bona makes it easy to care for your hardwood floors. For 100 years, Bona has partnered with flooring professionals to create innovative products for a daily clean, a timeless shine and a lifetime of protection.™ Love your floors with waterbased solutions from Bona that are safe for you and our planet.

### Directions:

Vacuum, sweep or dust mop

**Squeeze**  
Apply product onto the floor using an "S" pattern.  
Completely close cap after each use.

**Clean**  
For best results use the Bona Microfiber Cleaning Pad to mop product evenly across the floor

Wait 20 minutes before walking on floor.

After cleaning rinse pad thoroughly and machine wash.

### CAUTION

Bona Express Hardwood Floor Revitalizer is for use on polyurethane finished wood only. This product is not for use on waxed or oiled floors. Liquid that is not spread evenly may result in spotting. Not for use in a spray mop.

Content: **less than 5%: non-ionic surfactants, METHYLISOTHIAZOLINONE, BENZISOTHIAZOLINONE**
