

At Astonish we understand the real cleaning challenges you face every day. We've spent over 40 years making sure our products help you get the job done right.

OVEN & GRILL

- > Powers through grease and burnt-on food.
- > Cleans the whole oven including the door.
- > Includes a surface specific sponge to get the job done properly.
- > No harsh chemicals, no need for gloves.
- > With the grease cutting power of Orange Oil.

DIRECTIONS FOR USE: Dampen the applicator provided with clean warm water and use this to apply the cleaning paste as needed. Rub the surface using a circular motion to lift and remove stains and food residues. Rinse clean the applicator and reapply product where necessary. Rinse and wipe clean surfaces using the sponge side of the applicator and clean warm water. For use on vitreous and powdered enamel, toughened glass and oven racking/shelves. This product contains an abrasive. Care is needed on delicate or polished surfaces to avoid scratching. Unplug electrical appliances before cleaning them. Do not use on non-stick or Teflon® coatings.

INGREDIENTS: <5% Soap and Perfume containing Limonene.

KEEP OUT OF REACH OF CHILDREN. Read label before use. Contains limonene. May produce an allergic reaction.
