Contains active substance: Benzalkonium Chloride 3g per 100g product.

Ingredients: 5 - <15% non-ionic surfactants. < 5% Disinfectants, preservatives (contains phenoxyethanol), perfumes (contains hexyl cinnamal, citronellol, d-limonene, butylphenyl methylpropional, geraniol, linalool, citral, eugenol.)

We recommend to mix a new batch of product after 3 months.

DANGER

**Not suitable for unsealed stone
or marble surfaces and some
paint finishes.
Test in a discreet spot before use.**

**Please
recycle**

Mix the neat concentrate with 470ml of tap water in a neat refill spray bottle. It is best to add the water first then the refill to avoid foaming. Shake thoroughly to blend the product. Now spray and enjoy!
For best results we recommend to spray generously and leave for a 5 mins before wiping or rinsing. Use as often as necessary.
