

# START YOUR NEW ECO LAUNDRY JOURNEY

**OXI + STAIN  
POWER REMOVER**

Our Laundry Egg® for white and light washes contains refillable laundry detergent + replaces fabric softener. The pellets effectively draw dirt from your laundry leaving it feeling clean and soft. These special pellets also contain an added stain removing agent and oxo brightener, which helps keep whites bright + removes stains. Our formula contains:

## LET'S GET STARTED

Laundry day has never felt so simple with our **THREE** easy-peasy detergent breezy starter steps

### 1 Detox your machine

Detoxing your machine is a **MUST** to keep it squeaky-clean and running efficiently. We recommend detoxing your machine once a month to get the best results from your egg.

### 2 Wash with your egg

Pop the ecoegg Laundry Egg® on top of your white and light clothes in the drum. Close the door + press start!

### 3 Refill AFTER 50 washes

The Laundry Egg® detergent pellets are designed to last for up to **50 Washes** and after that, simply **REFILL** the egg with refill Pellets.

**KEEPS WHITES BRIGHT**

**REMOVES STAINS**
