

DIRECTIONS FOR USE:

Remove excess food and spills using a damp cloth or sponge.

Spray onto affected area. Allow to act for 30-60 seconds depending upon build up.

Wipe off with a damp cloth or sponge. If there is an excess build up, agitate with a rough sponge.

Repeat as required.

For best results apply to a warm but not hot surface.

When using the product on aluminium surfaces, spray the product on the surface and wipe it off, minimising contact time with the surface.

If using on inside of air fryer avoid contact with heating element.

Contains amongst other ingredients:

<5% Anionic surfactants, Nonionic surfactants, Perfume.

If medical advice is needed, have product container or label to hand.

Keep out of reach of children.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
