

ecoegg®

Dryer Eggs

Fresh Linen

The ecoegg Dryer Eggs have been proven to reduce tumble drying time by up to 28%*, saving you time, money and energy. They also delicately fragrance and soften your laundry.

The Fresh Linen ecoegg Dryer Eggs are lightly infused with natural fragrance oils, leaving a delicate, fresh scent on your laundry

- 1** Push one fragrance stick into each of the Dryer Eggs.
- 2** Place both ecoegg Dryer Eggs into the drum of your tumble dryer along with your laundry to reduce the drying time.
- 3** The nodules on the ecoegg Dryer Egg will soften your clothes – no need to use fabric conditioner.

Ideal for use after washing your clothes with the ecoegg Laundry Egg

Ingredients:

ecoegg Dryer Egg fragrance sticks contain glycerol monostearate and perfume

*Study conducted with a minimum drying time saved of 17.8% and maximum 28.8%

Keep out of reach of children and pets
