

LAKELAND

Product recall notice

Date: 16.05.2022

Lakeland Personal Blender Ref 61780

We are passionate about the quality and safety of the products we sell at Lakeland, and unfortunately, we have recently discovered that the above product does not meet our strict standards.

While using this product the safety switch does not always engage and enables the blades to rotate without the glass jug attached.

Customer satisfaction and safety is very important to us, so we have made the decision to recall this product.

If you've bought one of these products, please either return it to one of our stores or give our Customer Service team a call on 015394 88100 to arrange for it to be collected, free of charge. We will, of course, give you a full refund for your inconvenience.

It's extremely rare that we have to organise a product recall such as this, and we are very sorry for the disappointment and inconvenience caused.

A handwritten signature in black ink that reads 'G. McGee'.
