HAPPY PLANET, HAPPY PEOPLE

Since our foundation in 2000, we've worked to a set of principles we call 'Trading Fairly'. These guide everything we do, from sourcing our cocoa, to developing our products, and working with our partners. We're passionate about finding ways to reduce our impact on our beautiful planet.

We're proud that all our packaging is either recyclable, bio-degradable or compostable at home. Helen & Simon Pattinson, Co-founders
