- * Scrapes, traps & absorbs dirt and mud in one mat
- * Recycled content in the backing
- * Stain resistant, washable at 30°C and fast drying
- * Colour-fast, wash-fast, light-fast & fade resistant.
- * Non-slip flexible rubber backing,
- * No shedding, anti-static pile, noise reducing

SCRAPE → SCRUB → CLEAN

SCRAPER:

Tough scraper removes mud from your shoes & boots

SCRAPER & MICROFIBRE MIX

Graduated scraper fibres are mixed with super absorbent microfibre to start the absorption of any wet residue from your footwear

MICROFIBRE:

Super soft and extra absorbent microfibre gets into the tread under your shoes and boots to finish removing any moisture still left.

Sizes: 70cm x 150cm

Construction: Tufts: Olefin and microfibre with rubber backing containing recycled content
