

moth STOP!

Moth Trap Papers Effective and proven elimination

Eliminates clothes moths, eggs and larvae that damage fabrics.
Protect clothes for up to 6 months.
Odourless papers, suitable for use with upholstery, leather, suede, nubuck, wool, velvet, silk and synthetics.

Directions: Unwrap product. There are 2 large paper sheets, which have 5 perforated strips on each, so can be easily separated from the sheet. The strip can be hung over a hanger in a wardrobe if you make a hole in the paper and thread it over the hook of the hanger. Alternatively, tear off a perforated sheet and place it on top of clothes in a drawer, 2 strips required per drawer. For best results the strips should have airflow, make sure paper strips are not covered by clothes or fabrics. Keep treated areas closed as much as possible to maintain the level of active substance vapour needed to work.

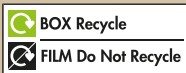

Warning

Harmful if swallowed. Causes Skin Irritation. Very Toxic to aquatic life with long lasting effects. If medical advice is needed have product container or label to hand. Keep out of reach of children. Read label before use. Wash hands thoroughly after handling. Do not eat, drink or smoke while using this product. Avoid release to the environment.
