

**Zero In® 90-Day Knockdown Flying Insect Killer is designed to kill and help control most flying insects around the home. The unit is portable and has an end of life indicator to remind you when the unit needs changing. Fragrance free, the unit has no unpleasant smells and is drip and stain free.**

**INSTRUCTIONS FOR USE**

- Remove the unit from the silver foil pack.
- Position the time indicator so the end upright is placed for 3 months time.
- The 90-Day Knockdown Flying Insect Killer will begin to work instantly. It will protect a room up to 30m<sup>3</sup>.
- Take care to position the dispenser away from direct heat such as radiators and very sunny windows, and out of strong draughts, this will help to maximise its work lifespan.
