ecoegg™

change the way you wash - for less

What is ecoegg
ecoegg is the revolutionary new way to wash. Use the ecoegg laundry egg instead of your usual washing powder or liquid.

It's so simple and convenient - no mess, no fuss!

TV's 'Queen of Clean'
Kim Woodburn says...

"The ecoegg laundry egg is kinder to your environment, kinder to your pocket and kinder to your skin. This pack uses 92% less packaging too!"*

Kim Woodburn

Directions for use - it's laundr-easy!

Simply place the ecoegg laundry egg on top of your laundry in the drum of the washing machine, and wash as normal - no washing powder or liquid needed.

How the ecoegg laundry egg works

The ecoegg laundry egg is packed with our unique scientifically tested, hypoallergenic cleaning pellets. These pellets naturally activate in the water to gently lift away dirt and grime, without using any harsh chemicals.

With a hint of Soft Cotton

This ecoegg laundry egg is fragranced with a hint of Soft Cotton, leaving your clothes smelling gorgeous, but still being great for sensitive skin.

- ✓ Kinder to your environment - no harsh chemicals
- ✓ Kinder to your pocket - save every time you wash
- ✓ Kinder to your skin - hypoallergenic
- ✓ Safe for use with fabric softener
- ✓ Works great on cooler washes - saving energy
- ✓ Suitable for white and coloured clothes - no bleaches
- ✓ Safe for all fabrics - even delicates
- ✓ Simple and convenient to use - no mess, no fuss
- ✓ It works - proven by an independent laboratory

Ingredients

The Ecoegg's cleaning pellets are non-toxic and do not contain any harsh chemicals, petrochemicals, enzymes, optical brighteners or phosphates. Contains: More than 30% Anionic surfactants, 15%-30% Non-ionic surfactants, also contains perfume.

Keep out of the reach of children.
80g of cleaning pellets in this pack.
