Hard Floor Solutions
ADVANCED FORMULA
FOR SEALED HARD FLOOR SURFACES

For BISSELL® Flip-It™ Flip-Ease™ and Other Full-Size Hard Floor Cleaning Machines

Specially formulated for fast, effective removal of tough dirt and grime, while leaving your floor with a natural shine. This formula is designed to maximize the performance of your hard floor machine. Laboratory tested and safe for use on hard floor surfaces; including Linoleum, Vinyl & Ceramic Tile.

Before You Clean

Not recommended for use on visibly worn, unsealed or unfinished floors.

How To Use

1 Vacuum **2** Shake bottle and use formula according to machine user guide:

- **For BISSELL Flip-It™:** Add 1.5 oz. of formula to solution tank, then fill remainder with warm water to the water fill line.
- **For BISSELL Flip-Ease™:** Add 1 oz. of formula to solution tank, then fill remainder with warm water to formula fill line.
- **For Other Hard Floor Cleaning Machines:** Add 1.5 oz. per quart of water. Use according to individual machine instructions.

3 Clean hard floors following machine user's guide.
