Tile Brite

for sparkling clean tiles

cleans, disinfects, polishes

and protects all tiled areas

homecare 

Tile Brite is a superbly effective cleaning polish for every day use. Its powerful formula will cut through grease, dirt, mould, stains and soap scum, leaving kitchen and bathroom tiles sparkling brightly. Used regularly, **Tile Brite** will leave an invisible film that resists new mould growth and staining.

THE BRITE FAMILY

If you like **Tile Brite**, you're sure to find

Hob Brite, **Micro Brite** and **Shiny Sinks** just as appealing. For more information - and regular special offers - please visit www.homecareproducts.co.uk

Directions:

Shake well before use. Apply Tile Brite with a damp sponge or cloth, rub lightly, and wipe dry. Polish with a soft cloth for a brilliant shine. For stubborn stains leave to soak for several minutes before rinsing.

Hazardous Ingredients:

Citric Acid Monohydrate, Sulphamic Acid.

Caution:

Keep away from food, drink and animal feedings. If swallowed seek medical advice immediately and show this container or label. Keep locked up and out of reach of children. Avoid contact with eyes, if contact with eyes occurs rinse immediately with plenty of water and seek medical advice.
